As the days get warmer, remember to wear a sun hat. We carry Tula hats, great for keeping the sun out of your face and for full coverage and protection we have a variety of Sunday Afternoon hats. Check them out inside at KWGC where you can get a refreshing glass of icewater and take the opportunity to peruse the display of houseplants, pots and pottery, gifts, books and garden accessories. We have some great gift ideas for Dads-Fathers Day is June 15.

Our giant Spring/Summer Sale starts on May 24th. Plants, books, gifts and accessories will be 25% to 75% off and bring in this notice for an additional 10% off any sale or clearance item.

As things heat up this summer, stop by KWGC for a cool time.
